Our January-April 2024 teaching series is entitled, "12 Questions to Consider: An Apologetics Series for Students." Jason Jolin, a parent of teenagers in our student ministry who holds a master's degree in Christian apologetics from Biola University, will serve as our lead teacher during this series. We will explore questions such as: Does truth even matter? Is the Bible trustworthy? Does God really exist? Are miracles actually possible? Who is Jesus? What makes Christianity unique? How can a good God allow evil?
